

**Declaration of Performance:**

---

|  |   |
|--|---|
| Product:   | EDO filling   |
| GTIN   | 7320930201449   |
| Size:  | 1230/2180   |
| Manufacturer:  | Inwido Sverige AB, Brogårdsgatan 1, 574 38 Vetlanda                 |
| Intended use:  | Windows for fitting vertically in domestic and commercial buildings |
| System of assessment and verification of constancy of performance: | System 3  |
| Harmonized standard:   | SS-EN 14351-1:2006+A2:2016  |
| Notified body:   | RISE id nr 0402   |

**Performance****Essential properties, Performance**

---

|  |               |
|--|---------------|
| Watertightness:                          | 9A            |
| Dangerous substances:                    | NPD           |
| Resistance to wind load:                 | 4C            |
| Load-bearing capacity of safety devices: | Approved      |
| Acoustic performance:                    | 27 dB (-1;-3) |
| Thermal transmittance:                   | 1,2           |
| Air permeability:                        | 4             |

**Radiation properties**

---

|                           |      |
|---------------------------|------|
| Light transmittance (LT): | 0,75 |
| Solar factor (g):         | 0,6  |

The performance of the product is consistent with the specified performance.  
This declaration of performance has been issued in accordance with Regulation (EU) No 305/2011 at the sole responsibility of the manufacturer specified above.

Signed on behalf of the manufacturer:
